

Our Contribution to The United Nations' 17 Sustainable Development Goals

The CCH – Congress Center Hamburg, a corporate division of Hamburg Messe und Congress, is committed to operating its business in a responsible and sustainable manner. We base this commitment on the United Nations' 17 Sustainable Development Goals to reconcile our business interests with ecological and social causes. We feel it is our responsibility to follow these principles of sustainable operations in every respect, and we consider doing so as a fundamental element of our corporate culture. This document is a brief summary of what we do to achieve these goals. For more detailed descriptions of each goal please visit www.the-new-cch.com.

2 ZERO HUNGER

- Selection of service partners who operate sustainably
- Fresh preparation of meals, no convenience food
- Use of earthenware and glass ware to minimize plastic waste

3 GOOD HEALTH AND WELL-BEING

- Use of DGNB-certified construction materials
- Use of daylight in foyers and of LED lighting inside rooms
- Broad range of health management measures
- Work-life balance

6 CLEAN WATER AND SANITATION

- Use of advanced technology to minimize water consumption
- Ecologically and economically sound cleaning methods

7 AFFORDABLE AND CLEAN ENERGY

- Use of residual district heating with a progressively increasing share of regenerative energy
- Use of 100 percent renewable electricity
- Heat recovery from ventilation systems
- Installation and use of energy-efficient equipment

10 REDUCED INEQUALITIES

- "Diversity Charter" membership
- Barrier-free infrastructure

11 SUSTAINABLE CITIES AND COMMUNITIES

- Promotion of public transportation system
- Minimized vehicle traffic areas and sealed surfaces
- Air conditioning assisted by the natural cooling effect of the adjacent 'Planten un Blumen' Park
